HIGHLAND TRUCK HAULING OPERATION TO CONTINUE IN SAN BERNARDINO

State Route 210 construction will require trucks to continue hauling large loads of dirt across Highland Avenue between California Street and State Route 30 in San Bernardino. The dirt-hauling operation will occur weekdays from June 19 to July 18 from 6:30 a.m. to 3 p.m.

Flagmen will be stationed along the hauling route to control traffic, enforce safety and direct the extra-long trucks. Extra efforts will be made to give priority to commuter traffic. Signs will be posted to alert drivers of possible delays.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
